DETAILED ACTION

The following is an examiner's statement of reasons for allowance:

Claims 1-31 are allowable over the prior art of record because the prior art of record fails to teach or fairly suggest that receiving a request from the requesting application for specified columns from one record in the table and adding to the data structure data from each column in the table that is not one of the subset of columns if the requesting application is determined to not recognize all the columns in the table.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
